

RESOLUTION NO. 286-96

A RESOLUTION REPEALING RESOLUTION 220-81 AND ESTABLISHING AN INFRASTRUCTURE REVIEW ADVISORY BOARD FOR THE CITY OF SIOUX FALLS.

WHEREAS, the City of Sioux Falls has established fees and regulations relating to engineering design standards, subdivision and infrastructure construction requirements, excavation and grading, and subdivisions;

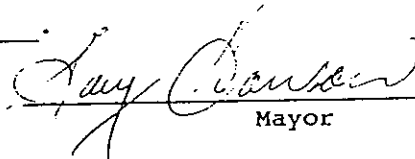

NOW, THEREFORE, BE IT RESOLVED BY THE CITY OF SIOUX FALLS, SD:

That:

1. Resolution 220-81 is hereby repealed.
2. A Sioux Falls Infrastructure Review Advisory Board is hereby created.
3. The board shall have seven members, including a member-at-large and one person and a designated alternate representing each of the following: Sioux Falls Public Works, Sioux Falls Planning and Building Services, Homebuilders Association of Sioux Falls, Sioux Falls Contractors Association, local engineering consultants, and local utility companies.
4. The term of each member shall be three years or until a successor is appointed; except that elected and appointed government officials may serve indefinite terms.
5. The board shall meet monthly or as deemed necessary by the board at a time and place selected by the board.
6. The board shall select a chairperson and a vice chairperson from the membership.
7. The board shall advise the mayor regarding fees and regulations relating to engineering design standards, subdivision and infrastructure construction requirements, excavation and grading, and subdivisions with the intent of recommending the elimination of unnecessary regulations and the adoption of only those regulations necessary for the health, safety, and welfare of the citizens of Sioux Falls.
