**Continuing Business**

ADA Resource Library – Reviewed the DAC logo for the proposed bookmark to be handed out at the October event and any later events.

Moving the letters off the figure makes it easier to see the figure and having the title all on one line was preferred. The blue color is similar to the HRC logo.

Carmichael will follow up with the main library. They will be using their resources/books for the display.

ArtAbility 2011 – Lori Smith sent a sample menu.

We should time our PSA's on KELO early enough to solicit entries. The ArtAbility Committee will send out a reminder to the email list.

Awareness Training – November 15<sup>th</sup> is the Diversity Conference. The Awareness Training Committee is looking for questions for the panel to answer.

October is the Sanford training, O'Connor is taking care of this presentation.

Gas Station Stickers – no report

Hotel Survey Update – Moran is researching on what other cities are doing.

### **New Business**

New Logo– The new logo will be used on the bookmark to be distributed at the October ADA event at the library and at the November Diversity Conference. We will want to list what the DAC does, general information and contact information. The back side can be about the HRC.

Diversity Conference Booth – HRC will have a booth at the Diversity Conference – they will share with the DAC. Volunteers will be needed to sit at the booth before the conference and breaks between the breakout sessions.

### **HRC Report**

The HRC reviewed the 2011 nominations for the Humanitarian Award and selected the three finalists. The recipient will be announced at the September 27<sup>th</sup> program.

Farabee will no longer be able to attend the HRC monthly meetings as liaison. Carmichael will attend with Nelson and Fiedler substituting when needed.

### **Public Comment**

### **Adjournment**
