COMMUNITY PARTNER GRANT

## GRANT OVERVIEW

The City of Sioux Falls Sustainability Community Partner Grant offers nonprofit organizations the opportunity to engage in sustainability projects which help the City Sustainability Program achieve its goals and mission. The mission of the City of Sioux Falls Sustainability Program is, "Working together, we will promote a vibrant community through the innovative and wise use of our resources." The Sustainability Master Plan (found at [www.siouxfalls.org/green](http://www.siouxfalls.org/green)) outlines specific goals sought by the City of Sioux Falls' Sustainability Program. Organizations which engage in projects which help meet these goals may be eligible to apply for our Sustainability Community Partner Grant.

## ELIGIBLE APPLICANTS

1. You must be a Sioux Falls-based 501c(3) organization.

## GENERAL REQUIREMENTS

1. Your project must help to meet goals outlined in the Sustainability Master Plan.
2. Your project must help to achieve at least one of the following outcomes:
  - a. **Waste Minimization:** Improve community health and safety by providing programs, education and leadership to reduce waste generation; increase innovative waste diversion programs; and appropriately manage toxic and hazardous materials.
  - b. **Water Resources:** Wisely manage local and regional water, wastewater and storm water to create a high quality, sustainable system.
  - c. **Energy:** Utilize clean, efficient, and reliable energy for the city and community as a whole.
  - d. **Transportation:** Provide an efficient, multi-modal, and cost-effective transportation system that offers increasingly clean measures for all users.
  - e. **Built and Natural Environment:** Promote sustainable land use and development to manage growth while conserving the environment and natural resources.
  - f. **Community Vitality:** Promote health and wellness by encouraging businesses, government agencies, non-profits, and individuals to improve the community's triple bottom line.

## PROCESS TIMELINE

1. Complete the enclosed application and submit by February 20, 2017
2. Applications will be reviewed and grant recipients will be notified of funding by March 31, 2017
