Welcome New Board Member Jarrod Smart

Approval of Minutes of Last Meeting

Unfinished Business

1. **Appeal No. 2-2010.** Ed Lund of Koch Hazard Architects will represent the Sioux Falls School district and will present plans for the on-going renovations to the Howard Wood Field facility. On December 14th, 2010 the Board reviewed and accepted 8 inch risers for five risers serving 13 separate multi level press and coach boxes because the maximum 7 inch risers reduced sight lines and created additional challenges with the existing structure. Mr. Lund will request that the Board permit the elimination of the 12 inch extension of the handrails beyond the stair risers. Again, the request is based on sightlines, structural constraints available, and egress limitations for the handrail extensions.
