New Business

1. Appeal No. 2-2012. Geoffrey Ellerbroek from Summit Plumbing will request the board review and allow access of an appliance that will be less than 36 inches as required by code. Summit Plumbing installed a new boiler at McNally's Pub (6212 S. Old Village Place); the placement of the boiler violates the access requirement to an existing furnace in the same room.

Section 306.3 Appliances in rooms. Rooms containing appliances shall be provided with a door and an unobstructed passageway measuring not less than 36 inches wide and 80 inches high.
