

DESIGN CHARRETTE JUNE 22ND 6:30 - 8PM

MEETING NOTICE

Sioux Falls Visual Arts Commission members have been invited to attend and participate in the Bike Rack Design Charrette to be held on Monday, June 22, 2015, from 6:30-8:00 p.m., at the Sioux Falls Design Center located at 108 W. 11th Street, Sioux Falls, SD.

Invited Participants: Bike advocates, artists, fabricators, interested community members

Goal: Bring a group of community residents together to design a unique bike rack that incorporates a Sioux Falls look and feel but also provides:

- Functional and provides safe bike parking
- Adaptable design (for single- or multi- bike parking)
- Ability to be fabricated in a large quantity at a reasonable cost
- Reinforced branding of Sioux Falls / Live Well Sioux Falls and promote bicycling
- Contribution to the visual aesthetics of the community

Design Charrette Meeting Agenda Includes:

- Introductions
- Overview of Live Well Sioux Falls and Enhancing the “Bikeability” of Our Community
- Overview of the Bike SmART program: Why Artistic Bike Racks?
- Review the Charrette Process for the Evening, Divide Into Groups
- Group Brainstorming and Report- Outs
- Open Discussion
- Closing Comments and Next Steps
