

Application for Sustainability Master Plan Steering Committee

The City of Sioux Falls is updating the Sustainability Master Plan (2012) and is looking for Citizen Representatives to serve on the planning Steering Committee. Duties will include helping guide planning direction, ensure public engagement, and discuss and draft sustainability goals and actions. Steering Committee members will attend several planning and working group meetings over the course of the year. Individuals with interest and/or expertise in environmental and sustainability issues, social equity, and resilience are encouraged to apply.
