- ◆ Bag and place all pet waste in your trash.
- ◆ Wash vehicles and equipment at a car wash instead of your driveway.
- ◆ Sweep garages and driveways instead of using water.
- ◆ Minimize use of fertilizers, pesticides, and herbicides.
- ◆ Control all leaks and spills, even minor ones.
- ◆ Store lawn equipment, like mowers, in areas where runoff won't reach the storm sewer.
- ◆ Keep waste containers covered if stored outdoors.
