Application Instructions for Mechanical Contractor's License City of Sioux Falls

General:

Applicants for **Mechanical or Refrigeration Contractor** can only be submitted if the applicant has passed the City of Sioux Falls examination within the last 90 days.

Applications for **Fireplace Contractor** do not require examination.

Mechanical, Refrigeration, and Fireplace Contractors must submit the license application and fee with signed original bond.

License Application:

This form must be fully completed, signed, and dated by the owner, officer, or license holder of the company. You must submit application within 90 days of passing examination when required or you will be required to retest.

Compliance Bond:

A \$10,000 compliance bond is required as a condition of a contractor's license. Each contractor must maintain and deliver to the Chief Building Official a bond in the amount of \$10,000 in a form approved by the City listing the contractor as principal and the City as obligee for the benefit of the City of Sioux Falls and consumers dealing with the contractor. **The bond must state that you are licensed as a Mechanical, Refrigeration, or Fireplace Contractor. We must have the signed original bond. The business name appearing on the bond must match the name appearing on your license application.**

The bond requires the faithful and lawful completion of all work entered into by the contractor within the city and for compliance with all the provisions of the ordinance. The bond shall be written by a corporate surety authorized to transact business in the state of South Dakota.

This bond can typically be purchased through your independent insurance agent or bonding company. **It is your responsibility to ensure all continuation certificates are forwarded to the Building Services office upon expiration of each bond or bond continuation.**

License Fee and Expiration:

The license fee is \$200, but we do prorate this fee if you are applying in the second year of the license. Make check or money order payable to the City of Sioux Falls.
